A YEAR OF MOMENTUM

Within the rich history of Crotched Mountain, 2017 will almost certainly go down as one of the most eventful, consequential, and transformational years ever. While we bid farewell to one chapter of our story--our hospital--we opened the door to a tremendously exciting new future.

The Crotched Mountain Board of Directors ratified a Strategic Plan that places our organization on a path toward incredible, statewide impact. And while financial sustainability and good governance are always top of mind, Crotched Mountain’s number one investment is in the lives we change for the better.

Be it a child with polio or a student with autism or an adult with a disability who is seeking maximum independence, our focus has always been on serving the most vulnerable populations among us. We adapt, we evolve, and we respond — especially to the needs of those who would otherwise slip through the cracks.

There is much work to do but, friends, I assure you, Crotched Mountain is poised to make a difference in the lives of more children, students, adults, and families than it has in its esteemed history.

And, as a friend and supporter, you, are a critical part of this. Your generosity, compassion and commitment are the bedrock of Crotched Mountain’s impact and for that we are extraordinarily grateful.

Thank you for helping to change countless lives for the better. Together, we are going places!

Michael Coughlin
President and CEO

Nancy Van Vranken, M.D.
Chair of the Board
